

This homework is due Mon. August 27, 2018 at 23:59.

Self-grades are due Tues. August 28, 2018 at 23:59.

This homework is simply so you can learn how to submit homeworks and self-grades and so we can get to know you. Make sure you are comfortable with submitting homeworks and self-grades. Actual homeworks will start next week.

Submission Format

Your homework submission should consist of **one** file.

- `hw0.pdf`: A single PDF file that contains all of your answers (any handwritten answers should be scanned).

Submit the file to the appropriate assignment on Gradescope.

1. Background

- (a) What is your name?
- (b) Tell us about yourself. Where are you from? What is one of your hobbies? Is there anything else you would like to share?
- (c) What would you like to learn from this course?
- (d) What would you like to learn from courses in the EECS department before you graduate?
- (e) What is a technology that you would like to see invented or a problem that you would like to have solved in the next twenty years?
- (f) Tell us about your academic background. What math and physics courses have you taken?
- (g) What platform do you use (Mac/Linux/Windows)?

2. Syllabus

Read the course syllabus and answer the following questions. The syllabus can be found here: <http://inst.eecs.berkeley.edu/~ee16a/fa18/#policies>.

- (a) What are the dates and times for both midterms?
- (b) If you need exam accomodation, whom do you contact and how? When do you have to contact this person by?
- (c) When are homeworks and self-grades due?
- (d) How many homework drops do you get?
- (e) What is the penalty if you turn in your self-grades up to one week late?
- (f) Provide a complete list of everything you must do in order to receive credit for your homework assignments.

- (g) Let us say you only were able to get half-way through a homework problem during the first submission. When self-grading you would receive 5/10 on a problem, but you realize how to complete your solution and decide to resubmit. After resubmission what is your new score?
- (h) How many unexcused labs are you allowed to miss?

3. Fun Fact

- (a) What is Professor Gireeja Ranade's favorite color?

4. Homework resources

- (a) If you need help on a homework problem or have a question about the material, what are some of the resources you might be able to use?
 - (i) Homework party
 - (ii) TA office hours
 - (iii) Professor office hours
 - (iv) Asking a friend taking 16A
 - (v) Posting on Piazza
 - (vi) Going to discussion
 - (vii) All of the above
